

## SEVEN MEETING ROOMS WITH SEA VIEW

Alandica features seven smaller meeting rooms that are named after mythical archipelago islands and are located in the venue's quiet areas on the second floor. All rooms offer a sea view. The rooms seat 12-50 people and are equipped with projectors or TV-screens (Bockholm and Hästhalm). Fixed and wireless internet access, as separate cells if required.

## Two auditoriums for bigger events

Booking one of the auditoriums, technician services are included, as well as equipment for light and audio settings. See separate specifications. The main auditorium has fixed theatre seating with a balcony. In the smaller auditorium the telescopic riser and foldable chairs can be hidden into the wall if you want to choose another kind of seating. Dressing rooms, artist foyer and rehearsal rooms are closely connected to the main auditorium.
